NOTICE OF EVENT

Technical Visit to Siemens MR and Angiography Equipment Factory
and The University of Hong Kong - Shenzhen Hospital
Shenzhen, China

In this exclusive tour of two Siemens factories for HKIPM members, there is a chance for us to see a range of MR and angiography equipment being built.

The University of Hong Kong - Shenzhen Hospital is a multidisciplinary hospital invested by the Shenzhen Municipal Government and collaborated with the University of Hong Kong. There is one linear accelerator in the Centre of Clinical Oncology.
